

### **Funding services provided through respiteservices.com:**

A number of funding options are available to adults with a developmental disability. One of those options is **Special Services at Home**. The forms that are required in order to apply for this funding are available through respiteservices.com. If a family member needs assistance with filling out the forms please contact your Access Facilitator at respiteservices.com. If you do not already have an Access Facilitator assigned to you please contact the Administrative Coordinator at 416-322-6317 ext 1 or email at [info@respite-services.com](mailto:info@respite-services.com).

**Funding workshops** for families to attend are also provided through respiteservices.com. These workshops provide an overview of the SSAH form and the phrases that are used to ensure maximum funding. Funding workshops are offered twice a month during the school year and once a month during the summer. One workshop in the month is during the day time and one is in the evening. Families must register with the Administrative Coordinator at the information above.
